

Glentworth 2036 - Your Village, Your Say

Help Us Create Your Vision for Glentworth

Saturday 30 September 2017 in the Village Hall

Drop in between 11am and 2pm

Come and find out how the Neighbourhood Plan Survey you completed this summer will help shape what's written in the Neighbourhood Plan.

Find out why we did the Village Walkabout and what it told us about Glentworth's history, character and assets

Tell us your "One Wish" for Glentworth

CALLING ALL YOUNG PEOPLE - come and write on the Graffiti wall - we want your ideas for Glentworth 2036

12.00pm - Judging of Young people's photographic competition
'What I like best in Glentworth'

followed by

A Lincolnshire Ploughman's lunch

1.00pm - 1.45pm Participate in creating "my vision for Glentworth" activity

Glentworth

Wish you were here 2036.....

Glentworth

Wish you were here 2036.....

I love the village -
the community, the events,
the friendliness of everyone.
That's what I would like
to keep ♡ ♡

Glentworth is a lovely
English Village with Charming
Rural Character must be
kept, be nice to have Pub
and Shop!

Glentworth is a lovely
rural village, surrounded
by gorgeous landscapes -

- adapt to change, but
retain its unique style
& feel.

The little park better maintained.
otherwise the same beautiful
Peaceful village.

Essentially the same. Additional housing to be
sympathetic and rural existing settlement.
Full provision of all services e.g. gas, broadband.
Want to be kept of traffic volumes on B1348, i.e.
Pavements & lighting and pedestrian danger.
Footpath to Harpswell to be reinstated and maybe
a cycle route for sustainable transport to F.E.Z.

To restrict any development
to keep the rural aspects
of the village

This plan should give
us this

To have a thriving
village that maintains
it's character and
charm + peaceful
atmosphere.

... to enjoy the well-maintained
environment - hedges, verges, woodlands,
pond, lakes - and the wildlife they
support.

30.09.17.

VISION STATEMENT

GLENTWORTH IS A LOVELY
PLACE TO LIVE, AND WHILST
ADAPTING TO CHANGE
SHOULD RETAIN ITS UNIQUE
LOOK, & AMBIANCE.

Wish for

A Social Club

SMALL BUS SERVICE TO GAINSBOROUGH
FOR PUBLIC SERVICES & WORK.

RETAIN VILLAGE ATMOSPHERE & ENVIRONMENT,
INCLUDING FOOTPATHS & RE-INSTALLING "LOST"
FOOTPATHS.

SPORTS FACILITIES FOR CHILDREN & ADULTS.

RETAIN VIEWS OF COUNTRYSIDE.

PROVIDE A SAFE FOOTPATH ALONG MIDDLE
STREET TO VILLAGE TO IMPROVE WALK INTO
VILLAGE, ESPECIALLY TO ATTEND EVENTS
& WALK IN THE SURROUNDING AREA.

IMPORTANT TO KEEP THE FRIENDLY RURAL AREA.

• My vision for Glentworth is
to have housing developments that
are 'in keeping' with their surrounding
properties, in order to not modernise
the village.

• We enjoy the sense of community
in the village, and would like more
events (not just seasonal)

• The 'pocket park' is a great aspect, but perhaps
underused. Maybe more of a nature conservatory focus.

This photo is my vision - I love it!!

Please don't change the
beautiful views & feel of
Glentworth.

To be a close rural
community that values
the beauty and
open landscape of our
village and
each other.

all.

Future Development
should respect
traditional styles
& improve the aesthetics
of the village by
incorporating them
into the existing structure
This would improve &
maintain the rural
atmosphere that we all value

Safe access to, from and
around the village enables
everyone to have effective and
efficient links to its own and
other community hubs.

Every

Glentworth Neighbourhood Plan

Newsletter No 3: November 2017

In our August Newsletter we informed you of two further consultation events being planned, which have now taken place and we would like to update you on.

The Village Walkabout event took place on Sunday 17 September. The purpose of this event was firstly to gather people's views on what you like/dislike about the Parish and what you think are the important assets. Secondly, to involve the children by asking them to take a photograph of their favourite view in the village, the best picture to be featured in the Neighbourhood Plan. A huge thank you goes out to the 25 souls who attended on this wet and thundery afternoon. Undeterred we donned our coats and boots, grabbed our brollies and ventured out into the storm.

Split into 2 groups and using a set template to gather information, we looked at gateways and routes around the village, identified key assets, views & vistas, buildings, landmarks and recorded ideas on areas for improvement. Back in the village hall, warmed up by tea, coffee and cakes, each group fed back on the key themes/issues they had identified, which were:

1. The importance of iconic assets such as Glentworth Hall, Church, Schoolhouse, horse chestnut tree at the bottom of Hanover Hill and the Village Hall.
2. The open spaces define that nature of the village
3. The abundance of hedging and trees in the village, as well as the stone walls and overall maintenance of the village.

By the end of a very productive afternoon, using a number of large scale maps, we had recorded and plotted all the information gathered. This is invaluable information that will be used to create our Neighbourhood Study.

This was followed by the **Glentworth 2036 – Your Village, Your Say** drop-in event which was held on Sunday 30 September. The purpose of this event was to let people see what has been done so far, and to start to create a shared Vision for the Parish. There was a steady stream of people through the day, with 30 in total attending. There were a range of displays showing the full survey results, plus the maps from the Walkabout event for others who hadn't been at that event, to comment on and add to. We also had a good response to the 'Glentworth 2036 Wishing Line' which invited people to write their vision for the Parish on a postcard and peg it to the line. Following a Lincolnshire themed lunch, the winner of the children's photograph competition was announced. Huge Congratulations to Tristan Freeman who took this atmospheric view of the Chestnut Tree on Kexby Road which will be included in the Neighbourhood Plan and is shown at the bottom of this Newsletter.

Glentworth Neighbourhood Plan

Newsletter No 3: November 2017

A good majority of people stayed for the final session where comments from the floor resulted in the draft Vision for 2036 being created which has yet to be ratified, and which will set the tone for the final Neighbourhood Plan. There was a real buzz to the day and the working group would like to thank those who attended for their positivity and enthusiasm.

The Next Steps

We have applied for the next tranche of funding which will enable us to undertake the 2nd phase of developing the Neighbourhood Plan. In this next phase we will be pulling together all the information gathered to date to write the draft plan. Once the draft plan is written, which is expected to be by the end December 2017, there will be a further public consultation in the New Year, so that people can comment on the plan. We will notify you of dates once they have been agreed, and very much hope to see you all there.
