STUDENT DISCOUNT

Property Reference:

Account Reference:

Date:

The full Council Tax is made up of a property element (50%) and a person element (50%). The full charge assumes that there are two (or more) adult occupiers and if there is only one adult occupier a discount of 25% may be claimed.

Certain people are "disregarded" for Council Tax purposes – that is they are treated as if they are not resident, which can result in a discount.

A person normally resident in the property and who is a STUDENT will be disregarded if they satisfy the conditions set out below:

- Undertaking a full time course of education at a University, Theological College or other institution or establishment which provides further or higher education, which lasts for at least one year, and which averages 21 hours study / tuition / work experience in one week for a period of at least 24 weeks in one year. **OR**
- Under 20 years old undertaking a qualifying course of education which is not higher education or a correspondence course which takes place between the hours of 8.00am and 5.30pm, for at least 12 hours per week and lasts for at least 3 months. **OR**
- A foreign exchange student, registered with the Central Bureau for Educational Visits and Exchanges, and is appointed as such to a school or other institution in the UK.
